ABOUT SYNERGY SOLUSI GROUP

HISTORY

Synergy Solusi, as a member of Proxis & Co., has been providing the best knowledge-based solutions since our inception in 2008.

Proxis established its first business in 2005 with a strong focus on knowledge-based services

2005-2007

Proxis expands to east Indonesia by establishing Proxis East based in Surabaya

Business model innovation: hub & cell based on entrepreneurship and strong core values.

2007-2010

Proxis established several business cells namely out IT GRC consultant and several professional development solutions

Growth through Intensive investment & incubation for new entrepreneurs from within the company

2010-2018

Through an entrepreneurial based development, Proxis continues to innovate and grow by establishing a multitude of knowledge-based solutions as well as external investment and business incubation for leverage

2018-2020

Investment in Technology and Innovation for superior products to supplement exponential growth strategy

Today, Proxis stands proudly with **5 holding companies and more than 40 business cells** that collaborate within and beyond our ecosystem to provide the best solutions for the toughest challenges faced by nations and the world

2020-Now

Proxsis & Co

As group of knowledge based solutions companies, Proxsis & Co. is divided into 5 holding companies:

Proxsis Consulting Group

Business Management Solutions

Proxsis IT Group

IT Solutions

Synergy Solusi Group

HSSEE Solutions

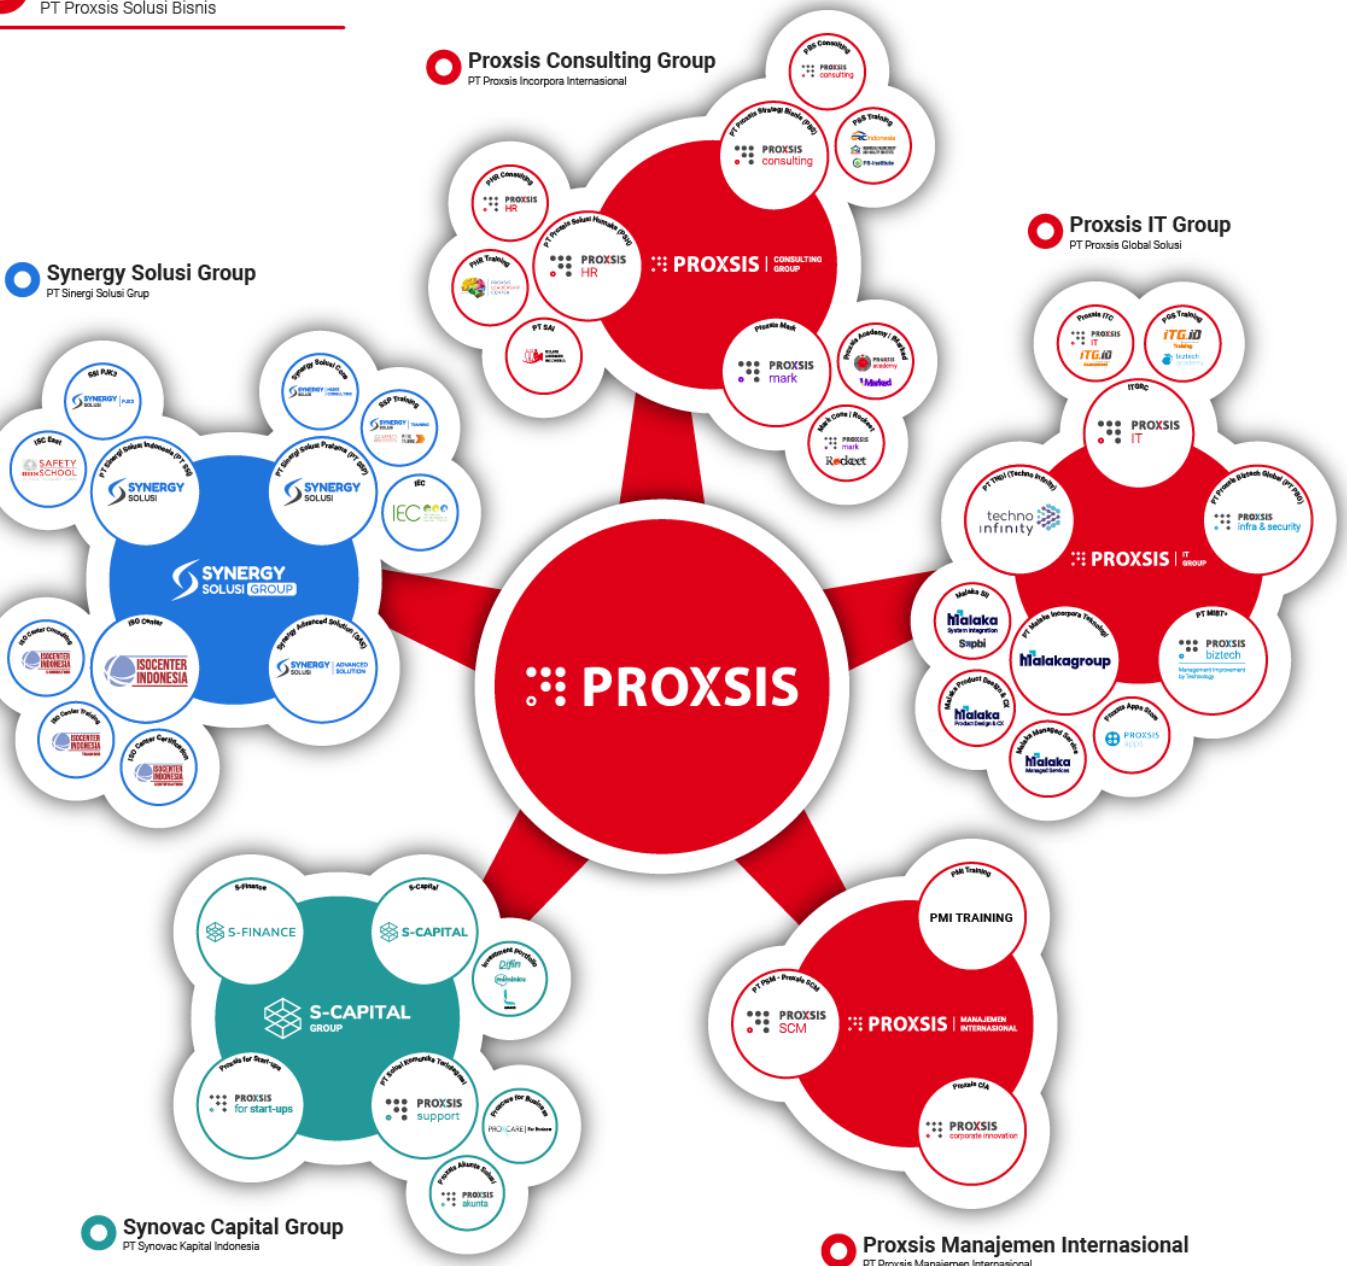

Proxsis SCM

SCM solutions & Innovation

S-Capital Group

Venture Capital & Business Incubation

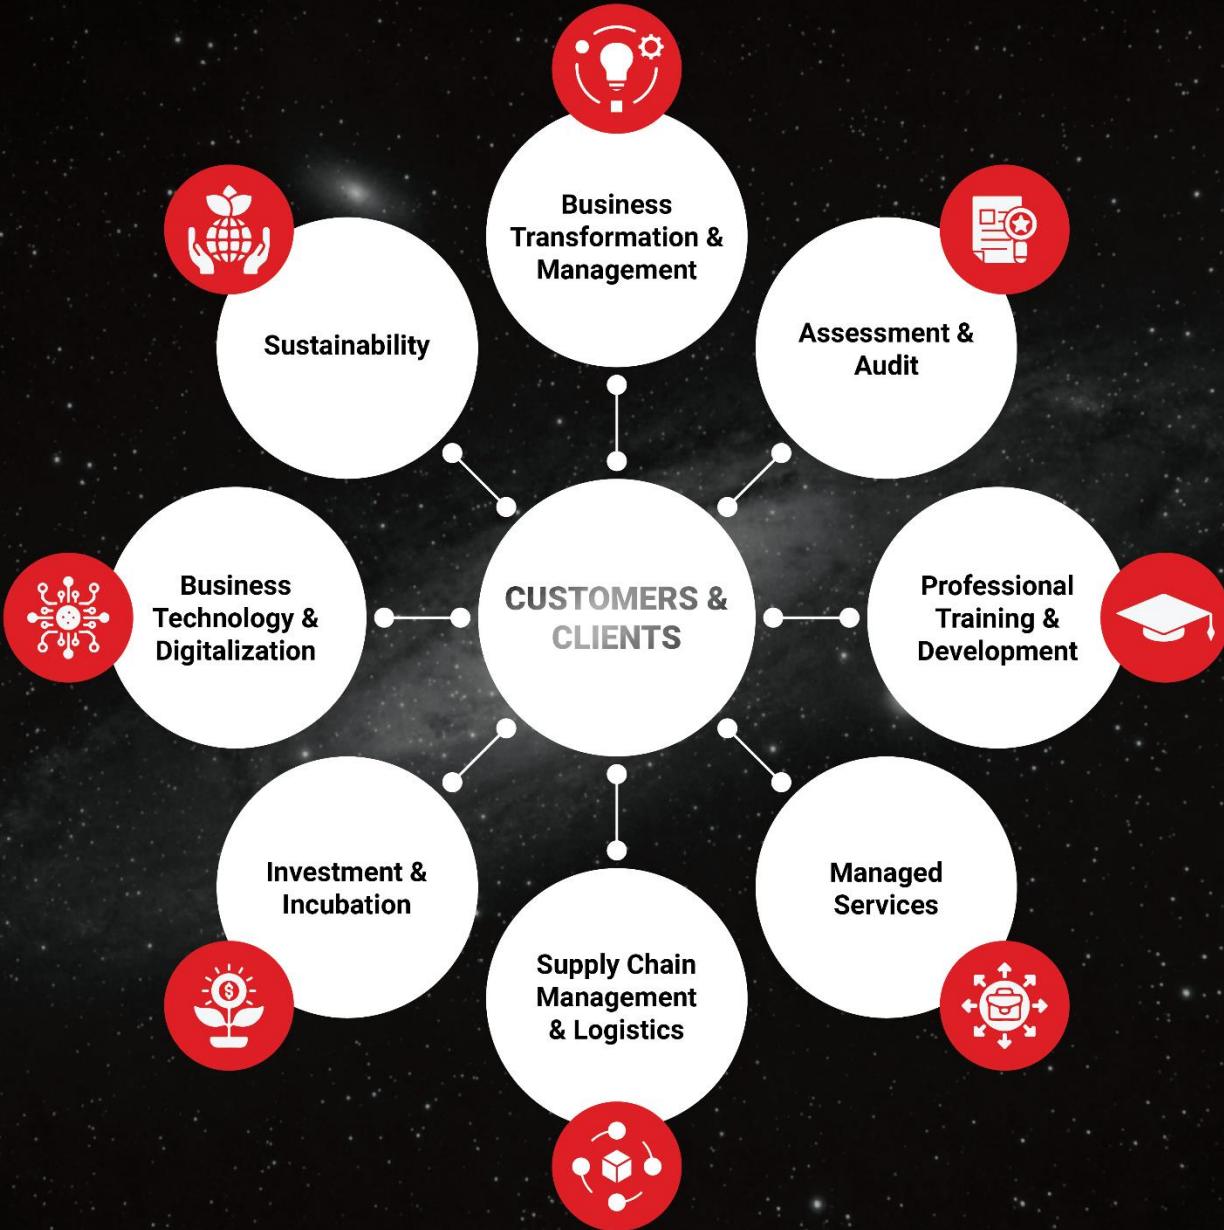

As of the beginning of 2024, Proxsis & Co consists of 19 tier-1 and 23 tier-2 companies, managed by our entrepreneurial leaders. Proxsis & Co is driven by a strong spirit of entrepreneurship

Knowledge Based Solutions Ecosystems

At Proxis & Co., we pride ourselves on delivering knowledge-based solutions that result from our dynamic collaborative ecosystems.

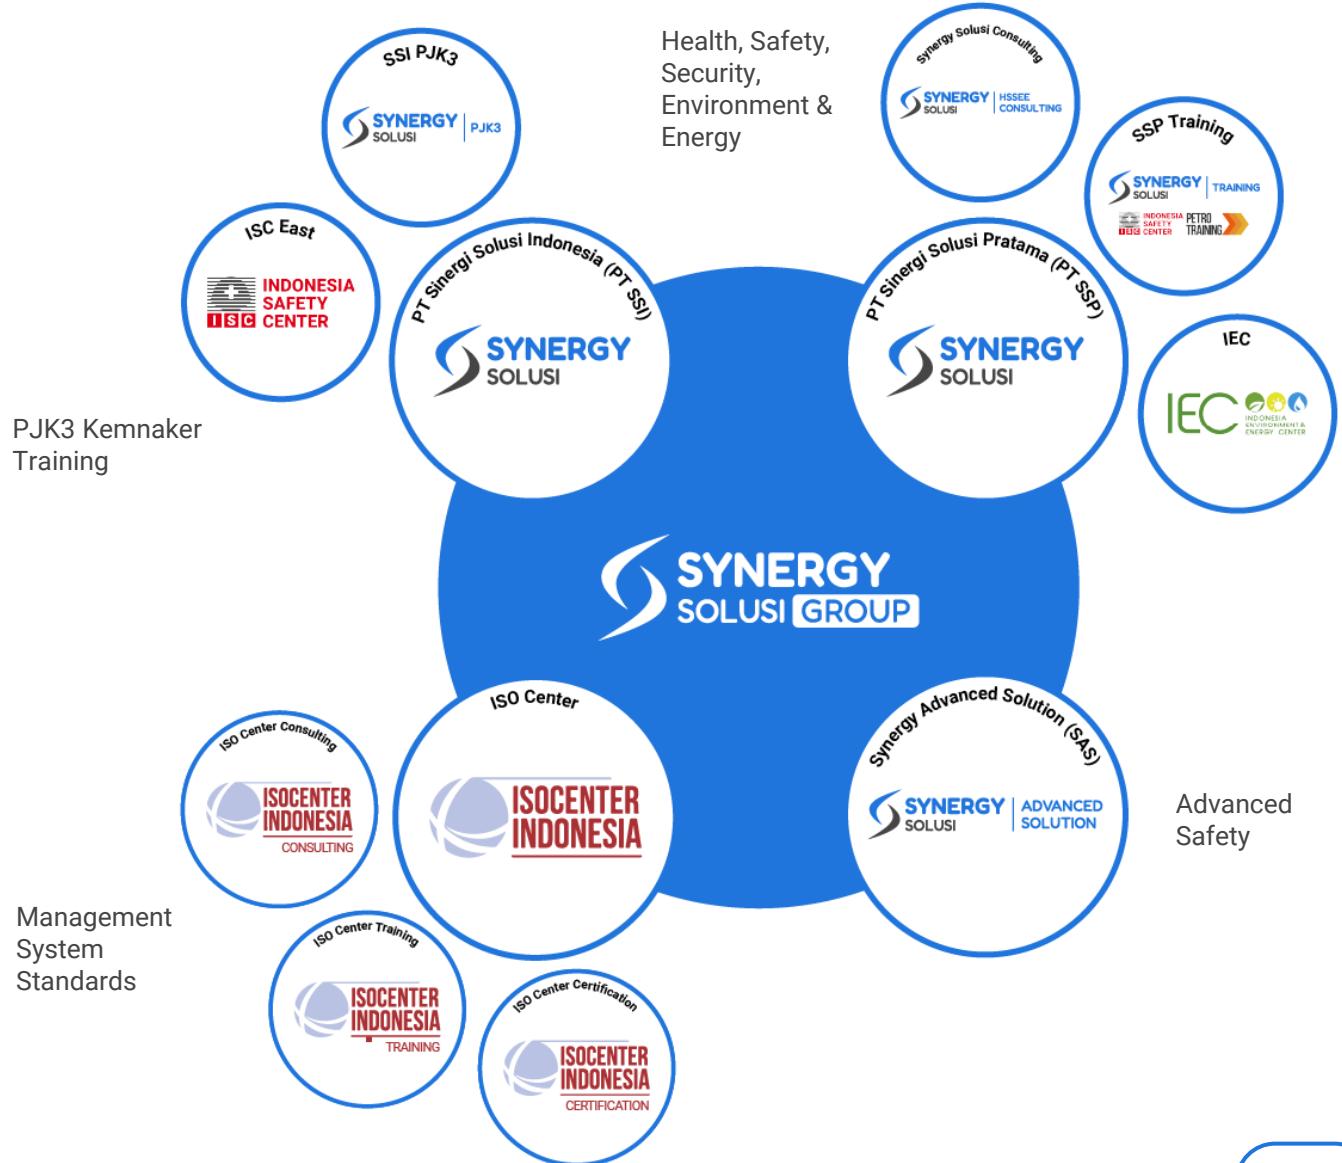

Within these dynamic ecosystems of solutions, our various partners and business units collaborate to provide the best solutions for you, our valued customer and partner.

Synergy Solusi Group

Synergy Solusi Group (SSG) is one of the holding companies of Proxis & Co, specializing in **Health, Safety, Security, Environment, and Energy (HSSEE)**.

Synergy Solusi Group actively promotes sustainable solutions and practices, helping our clients minimize their environmental footprint, achieve sustainable development goals, and fulfill their social responsibilities.

SSG CORE VALUE - PASSION

Professional

We uphold the highest standards of professionalism in every aspect of our work. With deep skills and knowledge, we are committed to delivering the best services and satisfactory results for all stakeholders.

Accountable

We take responsibility for every action and decision we make. We ensure transparency and integrity in all our activities and are always ready to be accountable for the outcomes of our work.

Strive for Result

We take responsibility for every action and decision we make. We ensure transparency and integrity in all our activities and are always ready to be accountable for the outcomes of our work.

Synergy

We believe in the power of teamwork. Through harmonious collaboration and mutual support, we create synergy that enhances the capabilities of individuals and the organization in achieving common goals.

Integrity

Integrity is the foundation of all our actions. We always act honestly, ethically, and responsibly, maintaining the trust given to us by customers, partners, and the community.

Out of The Box

We encourage creative and innovative thinking. By thinking beyond conventional boundaries, we create new and innovative solutions that provide added value to our customers and the company.

Novelty

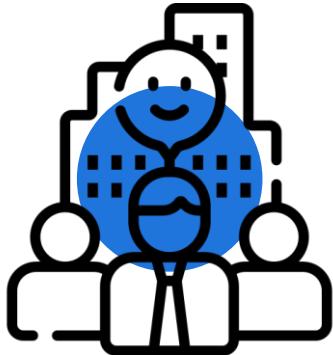

We constantly seek new ways to grow and innovate. With a passion for renewal and continuous improvement, we ensure that the company remains relevant and competitive in a dynamic market.
